TECHNICAL REQUIREMENTS

For the latest technical requirements, including hardware, compatible browsers, operating systems, etc., review the Minimum Computer and Equipment Requirements on the [LIT Online Experience](#) page. A functional broadband internet connection, such as DSL, cable, or Wi-Fi is necessary to maximize the use of online technology and resources.

DISABILITIES STATEMENT

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles' Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. You may also visit the online resource at [Special Populations - Lamar Institute of Technology \(lit.edu\)](https://www.lit.edu/specialpopulations).

STUDENT CODE OF CONDUCT STATEMENT

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the *LIT Catalog and Student Handbook*. The *LIT Catalog and Student Handbook* may be accessed at www.lit.edu. Please note that the online version of the *LIT Catalog and Student Handbook* supersedes all other versions of the same document.

ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI). The use of generative AI tools, such as ChatGPT, is permitted in this course only in a limited capacity. Students may not use AI to create speeches, assignments, or any original content that is required for grading. The development of ideas, research, arguments, and speech drafts must be the student's own work.

AI may only be used as a supplemental tool to refine material that has already been written by the student. Acceptable uses include checking grammar and spelling, ensuring clarity and cohesion, and assisting with the organization of outlines. For example, it is not acceptable to ask an AI tool to "create a 5–7-minute informative speech on World War II." However, it is acceptable to paste a draft the student has written into an AI tool and request a review of grammar or flow.

Whenever an AI tool is used, students are required to disclose this use within their assignment by including the following statement:

"For this assignment's preparation, the author(s) utilized [Generative AI Tool Name], a language model created by [Generative AI Tool Provider]. Within this assignment, the tool was used only for [e.g., grammar correction, minor phrasing adjustments, or organizational support]."

Failure to properly acknowledge the use of AI tools or relying on them beyond the limits described above will be considered a violation of academic integrity and may result in penalties in accordance with the LIT policy.

STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

Fall & Spring Semester

3 absences — Tuesday/Thursday or Monday/Wednesday/Friday classes

2 absences — Classes meeting one time per week

I will not be accepting doctor excuses or excuses in my class unless it is school related.

Keep in mind that no make-up will be given for in-class assignments (assignments that are dispensed and completed during the same class period), because they are tied to a particular class session.

- **If you have your cell phone on the desk, utilizing it or if it is ringing minus 20 points will be deducted from the assignment that is currently due. 2nd offense will be dismissed from class. The 3rd offense will be asked to drop the class.**

Make-up Policy:

You will be given one week to present your speech, and you are required to present during that time frame

- Students absent from class on scheduled speaking dates, or assignments are due will receive a zero (0) for the assignment.

SPEECHES

- All students are required to be present for every other student's speech and this rule goes for all speeches presented in the course. If you are absent or leave early on any of the speech days, you will receive a "0" for your personal speech grade. The instructor reserves the right to modify this at his/her discretion, see Make-up-Work. This is a speech course. If you skip, miss, or do not give any of the major speeches you will receive an "F" for the course.

Note cards: When you present your speech, you will be required to write your speech on note cards and use the note cards while presenting the speech. If you do not have note cards, I will subtract 10 points or more from your grade. (This could really hurt your grade for the speech)

Participation and Punctuality Policy

It will benefit the student to be on time for class. Thus, something may be said that is of extreme importance, but because you were late you did not get the message. The instructor is not obligated to repeat information that is missed due to lateness or absence.

1. Students must participate in all activities and class discussions.
2. Students must submit all assignments on the day scheduled.
3. Students must successfully complete all assignments related to the course.
4. Students who are late after the instructor has called the roll will be considered absent.

Reading Assignments/Class Participation Policy

Students are to read assignments prior to coming to class. There may be a pop quiz every week before or after each chapter discussion. Students will be expected to participate in discussions, ask and answer questions, and offer critical reviews of the materials. You can't make up a pop quiz if you are late or absent from class.
