

General Chemistry I Lab (CHEM 1111 5A1)

INSTRUCTOR CONTACT INFORMATION

Instructor: Dr. Carlo Iavarone

Email: ciavarone@lit.edu

Office Phone: (409)247-5149

Office Location: MPC 240

Office Hours: Monday, Tuesday, Wednesday, Thursday - 11 am to 12 pm
Friday - 8.am to 12pm

Preferred contact: Blackboard message or email

CREDIT

1 SCH, Semester Credit Hours (0 hours lecture, 3 hours lab)

MODE OF INSTRUCTION

Face to Face

PREREQUISITE/CO-REQUISITE:

Prerequisite:

MATH - Math 1314 College Algebra (3)

Co-requisite: CHEM 1311 General Chemistry I (Lecture)

Core Applicability: Life & Physical Sciences

COURSE DESCRIPTION

Basic laboratory experiments supporting theoretical principles presented in CHEM 1311; introduction of the scientific method, experimental design, data collection and analysis, and preparation of laboratory reports.

COURSE OBJECTIVES

- Upon completion of this course, the student will be able but not limited to:
- Use basic apparatus and apply experimental methodologies used in the chemistry laboratory.
- Demonstrate safe and proper handling of laboratory equipment and chemicals.
- Conduct basic laboratory experiments with proper laboratory techniques.
- Make careful and accurate experimental observations.
- Relate physical observations and measurements to theoretical principles.
- Interpret laboratory results and experimental data and reach logical conclusions.
- Record experimental work completely and accurately in laboratory notebooks and communicate experimental results clearly in written reports.
- Design fundamental experiments involving principles of chemistry.

**LAMAR INSTITUTE
OF TECHNOLOGY**

- Identify appropriate sources of information for conducting laboratory experiments involving principles of chemistry.

CORE OBJECTIVES

In addition to the course objectives above, the student will also develop the following:

- Critical Thinking Skills (CT) - creative thinking, innovation, inquiry and analysis, evaluation and synthesis of information.
- Communication Skills (COM) - effective development, interpretation and expressions of ideas through written, oral, and visual communication.
- Empirical and Quantitative Skills (EQS) - manipulation and analysis of numerical data or observable facts resulting in informed conclusions.
- Teamwork (TW) - ability to consider different points of view and to work effectively with others to support a shared purpose or goal.

REQUIRED TEXTBOOK AND MATERIALS

Required Textbook - OpenStax, Chemistry 2nd edition

Scientific calculator

ATTENDANCE POLICY

Attendance in lab is mandatory. There is no make-up for missed wet labs (an experiment using chemicals), missed wet labs will result in a grade of zero (0) except in exceptional circumstances with evidence. Attendance is a part of your grade.

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process. If you stop coming to class and fail to drop the course, you will earn an "F" in the course.

GRADE DETERMINATION

Final grades will be calculated according to the following criteria:

Lab Reports	55 %
Attendance and Participation	5%
Common CORE Assignment	20 %
Mid Term and Final Exam	20 %

LETTER GRADE

Percentage	Letter
90-100	A
80-89	B
70-79	C
60-69	D
0-59	F

TENTATIVE COURSE CALANDER FALL 2025

Weeks	Labs	Lab Reports	Due date for submission
1 08/24- 08/31	Introduction and Lab 1: Safety and Equipment	Quiz and Safety Agreement	08/31
2 08/31- 09/06	Lab 2: Measurement Lab	Lab Report 1	09/07
3 09/07- 09/13	Lab 3: Density	Lab Report 2	09/14
4 09/14 - 09/20	Lab 4: Separation Techniques	Lab Report 3	09/21
5 09/21 - 9/27	Lab 5: Percentage Composition	Lab Report 4	09/28
6 09/28 - 10/04	Lab 6: Definite proportion	Lab Report 5	10/05
7 10/05 - 10/11	Mid Term (comprehensive Exam on Labs 1-6)	Lab Report 6	10/12
8 10/12 - 10/18	Lab 7: Replacement Reactions		
9 10/19- 10/25	Lab 8: Stoichiometry	Lab Report 7	10/26
10 10/26 - 11/01	Lab 9: Calorimetry	Lab Report 8	11/02
11 11/02- 11/08	Lab 10: Covalent Bonding and VSEPR Theory	Lab Report 9	11/09
12 11/9 - 11/15	Lab 11: Gas laws	Lab Report 10	11/16
13 11/16 - 11/22	Core Assignments (poster)	Lab Report 11	11/23
14 11/23- 11/29	Thanksgiving week		
15 11/30 - 12/06	Review and Catchup Labs	Core Assignment Submission	12/07
16 12/07- 12/13	Finals (comprehensive exam on labs 7-11)		

TECHNICAL REQUIREMENTS

The latest technical requirements, including hardware, compatible browsers, operating systems, etc. can be online at <https://lit.edu/online-learning/online-learning-minimum-computer-requirements>. A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of online technology and resources.

DISABILITIES STATEMENT

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with

disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles' Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. You may also visit the online resource at Special Populations - Lamar Institute of Technology (lit.edu).

STUDENT CODE OF CONDUCT STATEMENT

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the LIT Catalog and Student Handbook. The LIT Catalog and Student Handbook may be accessed at www.lit.edu. Please note that the online version of the LIT Catalog and Student Handbook supersedes all other versions of the same document.

ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses

STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

INSTRUCTOR GUIDELINES AND POLICIES/INFORMATION ADDUNDUM

- Safety glasses must be worn at all times in the chemistry laboratory, no exception.
- Students are expected to stay for the full duration of the lab period or until all data is taken, calculations are performed, and the lab assignment is turned in. Reports are to be neat and complete. DO NOT USE RED INK. Corrections should be made by a single line through the incorrect data and the correction entered next to the old data.
- Safety rules must always be abided by Any student who continually breaks the safety rules will be removed from the class to ensure the safety of the other students in the class.

- The workstation and equipment used during any experiment must be cleaned, dried and returned before leaving the lab. Points will be deducted for poor laboratory habits and leaving dirty glassware and a dirty workstation behind.
- No food, drinks, or use of tobacco products in lab is permitted at any time.
- Children are not allowed in the laboratory at any time.
- Late work will not be accepted, unless in exceptional circumstances with evidence (e.g. doctor's note).
- It shall be considered a breach of academic integrity to collaborate with other students during any/all examinations completed throughout the course.
- Students must work their reports by themselves, cheating and copying partners work will be treated as violation of academic integrity.
- Students with specific accommodation, needs, or medical/personal emergencies should communicate with their instructor regarding individual exceptions/provisions. Furthermore, students with allergies should disclose these to the instructor to ensure no contact with the chemical is made. It is the student's responsibility to communicate such needs to the instructor.
