PREREQUISITE/CO-REQUISITE:

ACCT 2301 Principles of Financial Accounting

COURSE DESCRIPTION

This course is an introduction to the fundamental concepts of managerial accounting appropriate for all organizations. Students will study information from the entity's accounting system relevant to decisions made by internal managers, as distinguished from information relevant to users who are external to the company. The emphasis is on the identification and assignment of product costs, operational budgeting and planning, cost control, and management decision-making. Topics include product costing methodologies, cost behavior, operational, and capital budgeting, and performance evaluation.

COURSE OBJECTIVES

Upon completion of this course, the student will be able to:

- Identify the role and scope of financial and managerial accounting and the use of accounting information in the decision-making process of managers.
- Define operational and capital budgeting, and explain its role in planning, control, and decision-making. Prepare an operating budget, identify its major components, and explain the interrelationships among its various components.
- Explain methods of performance evaluation.
- Use appropriate financial information to make operational decisions.
- Demonstrate use of accounting data in the areas of product costing, cost behavior, cost control, and operational and capital budgeting for management decisions

ATTENDANCE POLICY

Attendance will be taken online. The student is required to log into Blackboard at least three times a week. If a student does not log into Blackboard, that student is still responsible for all work and/or discussion missed. It is the student's responsibility to determine what it is he or she missed, not the instructor's. *The instructor will not take additional time outside of class to inform a student of what occurred during the time they were not logged into Blackboard.* The best source of missed material or assignments is a classmate.

ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses.

DROP POLICY

If you wish to drop a course, you are responsible for initiating and completing the drop process by the specified drop date as listed on the [Academic Calendar](#). If you stop coming to class and fail to drop the course, you will earn an "F" in the course.

STUDENT CODE OF CONDUCT STATEMENT

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the *LIT Catalog and Student Handbook*. The *LIT Catalog and Student Handbook* may be accessed at www.lit.edu. Please note that the online version of the *LIT Catalog and Student Handbook* supersedes all other versions of the same document.

STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

- **Assignments Policy: All homework and quizzes should be completed and submitted in Blackboard by the date assigned by the instructor. Please refer to the course syllabi and Assignment Due Date link in blackboard for Assignment due dates and times. Late assignments will not be accepted.** Please use the link provided under the **Weekly Assignments and Quizzes link** in Blackboard to complete your Assignments. **Do not log directly into the Cengage Website to complete your assignments.** Students that turn in an assignment late will receive a grade of '0'. If you are absent when an assignment is due, you will receive a zero. Any missed assignments and/or quizzes will be not be given the opportunity to be made-up.
- **Exam Policy: Makeup exams will not be given.** Missed exams will result in a grade of '0'. All exams will be administered on the regular scheduled test dates. **All exams will be administered thru blackboard.** Under no circumstances will an absence, for any reason, excuse the students

from completing all exams assigned in the course. Exams usually include multiple choice, problems, and True/False questions. Some exams may consist of completing a problem at the end of the chapter and you will be given one and a half hour (90 minutes) to take your exam.

- All Exams will be administered in Black Board under the **Exams** link. Please refer to the course syllabi and Exam Due Date link in blackboard for Exam dates and times. All Exams will be available for approximately one week, beginning on a Monday at 12:00 am and ending the following Monday at 11:59pm.
