TECHNICAL REQUIREMENTS

For the latest technical requirements, including hardware, compatible browsers, operating systems, etc., review the Minimum Computer and Equipment Requirements on the [LIT Online Experience](#) page. A functional broadband internet connection, such as DSL, cable, or WiFi is necessary to maximize the use of online technology and resources.

DISABILITIES STATEMENT

The Americans with Disabilities Act of 1990 and Section 504 of the Rehabilitation Act of 1973 are federal anti-discrimination statutes that provide comprehensive civil rights for persons with disabilities. LIT provides reasonable accommodations as defined in the Rehabilitation Act of 1973, Section 504 and the Americans with Disabilities Act of 1990, to students with a diagnosed disability. The Special Populations Office is located in the Eagles' Nest Room 129 and helps foster a supportive and inclusive educational environment by maintaining partnerships with faculty and staff, as well as promoting awareness among all members of the Lamar Institute of Technology community. If you believe you have a disability requiring an accommodation, please contact the Special Populations Coordinator at (409)-951-5708 or email specialpopulations@lit.edu. You may also visit the online resource at [Special Populations - Lamar Institute of Technology \(lit.edu\)](#).

STUDENT CODE OF CONDUCT STATEMENT

It is the responsibility of all registered Lamar Institute of Technology students to access, read, understand and abide by all published policies, regulations, and procedures listed in the *LIT*

Catalog and Student Handbook. The *LIT Catalog and Student Handbook* may be accessed at www.lit.edu. Please note that the online version of the *LIT Catalog and Student Handbook* supersedes all other versions of the same document.

ARTIFICIAL INTELLIGENCE STATEMENT

Lamar Institute of Technology (LIT) recognizes the recent advances in Artificial Intelligence (AI), such as ChatGPT, have changed the landscape of many career disciplines and will impact many students in and out of the classroom. To prepare students for their selected careers, LIT desires to guide students in the ethical use of these technologies and incorporate AI into the classroom instruction and assignments appropriately. Appropriate use of these technologies is at the discretion of the instructor. Students are reminded that all submitted work must be their own original work unless otherwise specified. Students should contact their instructor with any questions as to the acceptable use of AI/ChatGPT in their courses.

STARFISH

LIT utilizes an early alert system called Starfish. Throughout the semester, you may receive emails from Starfish regarding your course grades, attendance, or academic performance. Faculty members record student attendance, raise flags and kudos to express concern or give praise, and you can make an appointment with faculty and staff all through the Starfish home page. You can also login to Blackboard or MyLIT and click on the Starfish link to view academic alerts and detailed information. It is the responsibility of the student to pay attention to these emails and information in Starfish and consider taking the recommended actions. Starfish is used to help you be a successful student at LIT.

ADDITIONAL COURSE POLICIES/INFORMATION

ANNOUNCEMENTS

Announcements will be posted in Blackboard under the Announcements as needed. Therefore, it is important to check in Blackboard regularly.

ASSIGNMENTS

All assignments will have their due dates posted in Blackboard. Please refer to the course syllabi and Assignment Due Dates in Blackboard. Typically, all assignments are due on Sundays until 11:59 CST PM.

Homework assignments are typically Multiple-Choice or True-False questions designed to ensure that students are reading the text at an appropriate and responsible pace.

Late assignments will not be accepted, so students make sure to complete and submit the assignments by the due dates.

EXAMS

Make-up exams will not be given. Exams will be provided in Blackboard under Assignments. The exams will be timed and are typically limited to 90 minutes with 50 questions. There will be no final exam for this class. Missed exams will receive a score of zero, and **late exams will not be accepted.** Therefore, students must ensure all exams are completed and submitted by the designated due dates. Once submitted, exams will be graded immediately in Blackboard.

EXTRA CREDIT

All opportunities for extra credit will be announced in advance as needed.

PROFESSIONAL COMMUNICATION

Students can contact the instructor via email at yshin@lit.edu, or phone 409-247-5296.

Students must use appropriate e-mail etiquette when corresponding with the instructor. This involves writing emails in a "letter" format as opposed to "text chat" format.

The instructor will respond to e-mail and voicemail communication within 48 hours Monday through Friday. Voicemail messages should be clearly spoken identifying the student's name, course, and any return phone number.

IMPORTANT DATES

These dates are tentative and subject to change if necessary.

- Last day of drop WITHOUT academic penalty: June 11, 2026
- Last day of drop WITH academic penalty: July 1, 2026

COURSE REQUIREMENTS

Students must meet the following grade requirements to successfully complete and pass the courses:

- Program courses: A grade of **C** or better is required.
- General Education courses: A grade of **D** or better is required.

Students are responsible for determining whether each class falls under **Program courses** or **General Education courses** to ensure they meet the appropriate grade requirements.

USE OF INSTRUCTIONAL MATERIALS

Instructional materials, such as Powerpoint Presentations, Instructional Videos, etc. are provided in Blackboard for each chapter. These will be useful in understanding and reinforcing concepts as they are presented in class. Content folders are scheduled to unlock/grant access throughout the semester to ensure synchronous learning.
